

SUCRE **Océane**

SHGT 

Sugar terminal in Le Havre

Sugar silos connected to all major container shipping lines

SUCRE
Océane

Subsidiary of SHGT and EUROPORTS - established in 1987

- Situated in the heart of the port of Le Havre
- Storage capacity : 60,000 tons
- Infrastructure and facilities dedicated to storage stuffing and shipment of sugar
- HACCP quality system

SUCRE OCÉANE is specialised in the storage of bulk sugar. With four silos of 15,000 tonnes each, we are the only European port terminal providing a guarantee of complete tracability for four qualities of sugar from sugar refinery to final consumers.

We provide door-to-door logistics solutions in optimal conditions for shipment of sugar in containers and in tanks from and to all international destinations from Le Havre.

Trades

Le Havre: first French containers port
